Community Ladies Conference February 5-7, 2010

Need time away but don't have time to really get away?? Need a mid-winter boost? Here's your opportunity!

Come join us for the 2010 Community Ladies Conference on February 5 - 7. Join us for encouragement in the Word, relaxation in a beautiful setting, fellowship, worship in music, a delicious menu and more!

International speaker & Bible teacher, Bonnie Thomas returns to the Community Ladies Conference as our guest speaker. The theme will be **"Evergreen & Evergrowing"**. We'll focus on Jesus' prayer in John 17. He knows your need to be strengthened in suffering, centered in certainty, always walking in wholeness and living in love. These are the main priorities in this "true Lord's prayer" for you and me.

Our sessions will include:

- Strengthened in Suffering** (The Balsam Tree)
- Centered in Certainty** (The Palm Tree)
- Walking in Wholeness** (The Cedar Tree)
- Living in Love** (The Olive Tree)

Praise & Worship will be led by Christine Wichert and the Capernray Harbour Music Team.

Bonnie Thomas

We are very pleased to welcome Bonnie Thomas back to the Community Ladies Conference.

Bonnie has served in many capacities over the last 40 years of ministry. She has served as missionary in the Philippines, staff member with Campus Crusade and Women's Ministry Director for the Billy Graham Evangelistic Association where her father Cliff Barrows has been music director for over 60 years. Bonnie and her husband Chris also served at Elmbrook Church under Stuart and Jill Briscoe.

In 1980, Chris assumed the directorship of Ravencrest Bible School & Conference Center in Estes Park, Colorado where they now reside. Bonnie teaches on the faculty of the Bible School and is involved in a discipleship ministry with the students. Ravencrest, part of Torchbearers International, is one of more than 25 Bible Schools and Conference Centers in 19 countries. Recently, Chris succeeded his father, the late Major W. Ian Thomas as director of Torchbearers.

Bonnie's speaking ministry has been expanded in recent years and she now travels extensively throughout the US and the world, teaching women practically and personally how to have a relationship with God through Jesus Christ. The Spirit uses Bonnie to bring the scripture alive in a meaningful, fresh and relevant way.

About the Community Ladies Conference:
The Community Ladies Conference is an independent, non-denominational organization that provides short term conferencing opportunities for women to meet together away from the varied circumstances of daily life.

In the midst of many demands placed on women in our modern world, from relational to vocational, there is recognition of the need for personal spiritual renewal of heart and mind which only Christ can bring. The Community Ladies Conference exists to provide local opportunities for renewal and focus.

The Community Ladies Conference reaches across denominational barriers and welcomes ladies from many diverse evangelical churches in Washington. Women of various ages and seasons of life are welcome to participate in the conference and are encouraged to come to know the sufficiency of the Lord Jesus Christ in ever-increasing measure regardless of their personal situation or circumstances.
